Dear xxxxxx, (RSL)

Re: Pan London Housing Mobility Scheme

As you aware, the Greater London Authority (GLA) has been working closely with boroughs and a number of housing associations to develop a new pan London housing mobility service called **housemoves**, which will enable social tenants to move around the Capital.

The purpose of this letter is to invite you to provide feedback on our intention to participate in this scheme.

The GLA is aiming to implement the scheme with boroughs from 30th January 2012.

Enclosed with this letter is a presentation which provides details of the aim, purpose, benefit and operational details of the scheme, for your information and consideration.

The GLA has also published a full Policy Framework for the scheme which can be accessed from: <http://www.london.gov.uk/priorities/housing/housing-need/mobility/pan-london-mobility>.

Consultation Period and Feedback

The consultation period starts on **Monday 9th January 2012** and ends at **midnight on Sunday 5th February 2012**.

Feedback should be emailed to :

Housing-mobility-scheme-consult@greenwich.gov.uk

I hope the above information is of assistance and we look forward to receiving your feedback.

Many thanks for your support and assistance in this matter.

Yours sincerely,

John Clark
