

November 2013

Dear Parent/ Carer,

The school governors and the Royal Borough of Greenwich would like to consult you as parents and carers about plans to expand the capacity of the school from two to three forms of entry. This means the total capacity of the school will increase permanently from 420 to 630 places from September 2016.

Attached are two sets of documents for you to read. The first is the Consultation Briefing Paper which sets out the background to the proposal and other information relevant to the proposal to expand the school.

After you have read this, please could you complete the second document, which is questionnaire and return it to the School Office or put it in the special box in the foyer.

If you have any questions about the proposal, there will be two meetings when you can speak to governors and Council Officers.

These will be in the hall on:
