9 December 2016

Dear Residents and Businesses

In April this year your street was included in a new controlled parking zone (CPZ) or an extension of an existing Eltham zone. The plan shown overleaf shows the changes that were made.

Now the changes have been in place for sometime I am writing to all residents and businesses in these new CPZ areas to ask for feedback. Your comments will help us to determine how well the controls have fulfilled their intended purpose in protecting local resident and business parking. They will also help us to decide whether there are any revisions we should consider in the future.

We will shortly be consulting residents and businesses outside the current CPZs to gather views on any changes that may have occurred in their streets since the extension of parking controls took place.

In the meantime, if you would like to provide us with feedback, **please complete the enclosed questionnaire and return it in the prepaid postage envelope in which this letter arrived.**

Alternatively you may respond by email to [brian.hanson@royalgreenwich.gov.uk](mailto:brian.hanson@royalgreenwich.gov.uk) . If you choose to email us, please include your postal address so your feedback can be fully considered.

I would be grateful to receive your comments before 31<sup>st</sup> January 2017.

Kind regards,

A handwritten signature in black ink that reads "Tim Jackson".

Tim Jackson  
Assistant Director of Transportation
